

## OBJECTIVES

The aim of the project is to develop entrepreneurship as the ability to be creative, innovative, organized and independent in making decisions, and to implement the above features not only for school initiatives but also social in the city, especially by establishing cooperation with non-governmental organizations.

## Implementation of the project

September 2018-February 2019

- creation of the so-called mini-company project group
- active participation of students in the eTwinning project (creating presentations, project materials, active participation in the project forum)
- establishing cooperation with the Agape organization (participation in workshops) and the Society of Friends of Children
- developing entrepreneurial skills through participation in workshops conducted by teachers participating in the project

## Mobility in Croatia, Dakovo from 19 Nov 2018-23 Nov 2019

in EKONOMSKA SKOLA BRACA RADIC

A group of 6 students from High School No. 3 participated in a youth exchange in Dakov, Croatia. Together with students from partner schools from Hungary, Spain and Croatia, pupils from High School III participated in workshops at the Croatian school as well as in non-governmental organizations in Dakov. During the first day and the following, the participants of the project developed language skills, working in an international team, organizational skills, creativity as well as self-presentation skills. On the last day of the stay there was a tour of Slavonia during which the participants learned a part of the history and culture of this historical area.
